How to Order Custom Length Cannulas

Guide Cannulas

Tell us the **length** of the stainless steel tubing below the plastic pedestal that you need.

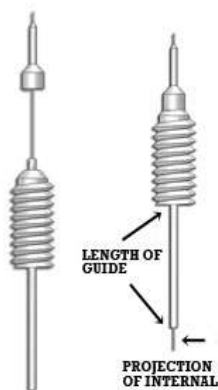

For Example: C313G/Spc **6mm**

Internal Cannulas

Tell us the **length** of the Guide Cannula it is to fit and what **projection length** beyond the tip is needed.

For Example: C313I/Spc to fit **6mm** C313G with **1mm projection**

Dummy Cannulas

Tell us the **length** of the Guide Cannula it is to fit and what **projection length** beyond the tip is needed.

For Example: C313DC/Spc to fit **6mm** C313G **without projection**

PLEASE NOTE:

If no projection is needed, that should be specified. We do not assume anything.

To get a workable /complete set-up, the middle 3 numbers of the guide, internal and dummy must match.

For example: **C315G, C315I and C315DC or C316G, C316I and C316DC** etc.

**PLEASE FOLLOW ORDERING DIRECTIONS VERY CAREFULLY.
CUSTOMIZED PARTS ARE NON-RETURNABLE**
