As part of our continued efforts to ensure privacy and security of our clients, we have adopted additional security measures for payment processing:

1) For Institutional Purchase Orders (PO): Only after shipment delivery, Soterix Medical will send an invoice. Invoices are never sent before shipment delivery and therefore pre-payment is never requested.

For non-PO orders: Pre-payment is needed.

2) For processing payment using bank wire, you will have to get verbal confirmation of bank details by calling the toll-free number mentioned on our website. **For payment using checks,** please always make the check payable to Soterix Medical with address mentioned above.

THANK YOU FOR YOUR INTEREST!
